New Suspect Now Known to Have Attacked Daughter of a Neighbor While Connors Child Lay Dying in Vacant Lot.

FOUND WAY INTO HOUSE AT 1 O'CLOCK A. M. SUNDAY.

Murgerer Risked Detection From 11 Doors and 78 Windows as He Tortured Victim.

An utterly neglected clue in the shape of two egg shells that had been pierced at one end and drained of their contents suddenly started new line of inquiry to-day in the season for the slayer of Julia Connors, and the police are now hunting for a middle-aged man who disappeared from the neighborhood of the crime a few hours before the tortured body of the little victim was found in the vacant lot adjoining No. 3968

This man has been marked in the neighborhood for several months by his habit of sucking eggs. He lived on eggs and rum. He boarded for three months in a flat opposite the building in which the child was so fiendishly mistreated and slain.
